

## 2026 Board President

Robin Castillo is in her first year as President of the Watson Farms HOA after two years as Vice President and has lived on Twyckenham Drive for 32 years with her husband, Carlos, a retired military officer, and their fur babies. She is a retired Federal Human Resources Specialist and Congressional Liaison who worked with Congress and White House staff, is a published author, and continues to teach for federal agencies. They have three grown children and three grandchildren.

## 2026 Board

|                |                |                  |              |                 |
|----------------|----------------|------------------|--------------|-----------------|
| President      | Vice President | Treasurer        | Secretary    | Member at Large |
| Robin Castillo | Annette Gary   | Shawna Ware-Dodd | Megan Kinsey | Thomas Kennedy  |

## Community Committees

In an effort to improve the community, we are looking for volunteers to help with the following committees:

- Pool Committee
- Communication Committee
- Landscaping & Common Areas
- Safety & Neighborhood Awareness
- Community Events & Welcome Committee

If you are interested in volunteering, please send an email to Robin Castillo.

## Upcoming Events

- Heavy Trash Pickup May 4<sup>th</sup> - 8<sup>th</sup>
- HOA Meeting May 13<sup>th</sup> @ 6:00 pm (Zoom)
- Spring Garage Sale May 23<sup>rd</sup> & 24<sup>th</sup>
- Pool Opens for the Season May 23<sup>rd</sup>
- \*If you lost your fob, please reach out to OMNI to get a replacement key fob.

## Pool Reminders for the 2026 Season

- Key FOBs were distributed last year. If you lost/misplaced yours, reach out to OMNI for a replacement (fee required - \$75).
- Renters, get your key FOB from your landlord/management company
- Limit 2 guests per home - violations can result in key FOBs being deactivated
- Lifeguards will NOT give access if you forget your key FOB
- The pool does NOT open if the temperature isn't above 70 degrees

## Spring is HERE

As a community this is the time to make sure our homes and properties are well maintained. This means: weeds are picked, algae is of our homes, and yards are mowed.
